

FALL 2020 SCHEDULE OF CLASSES

All Students: See the online timetable for line numbers that correspond to sections available for undergraduate or graduate credit. Some courses listed here and taught by faculty affiliated with the Center of Latin American & Caribbean Studies (CLACS) do not pertain directly to Latin America **so special arrangements need to be made to earn area studies credit.** On occasion, and upon approval from the Center and from the instructor, courses not listed below may also count for Latin American area studies credit.

TBA indicates either that information is not yet available or that arrangements should be made with the instructor.
